

If you graduated from a CACREP-accredited program:

To complete your NCC certification, you must submit an official sealed transcript showing your degree conferral date. Mail your transcript to NBCC Certification Department, 3 Terrace Way, Greensboro, NC 27403-3660.

Once your transcript has been approved, you will be certified as an NCC and your certificate will be mailed to you.

You can also have your scores sent to third parties, such as state licensure boards. Score verification is available through the ProCounselor online store.

If you graduated from a regionally accredited institution:

To complete your certification, you will need to submit an official sealed transcript showing your degree conferral date. Mail your transcript to NBCC Certification Department, 3 Terrace Way, Greensboro, NC 27403-3660. Once your transcript has been approved, you can have your scores sent to third parties, such as state licensure boards. Score verification is available through the ProCounselor online store.

You will also need to complete one of the following post-master's experience and supervision requirements:

- 3,000 hours of counseling work experience and 100 hours of supervision spanning at least 24 months from the date your degree is conferred; or
- Documentation of a full and current license from a state professional counselor licensure board; or
- An official sealed transcript documenting conferral of a Ph.D. or Ed.D. in counseling.

Once all of your documentation is approved, you will be certified as an NCC and receive your certificate by mail.

To maintain your NCC certification, you must:

- Pay the annual certification maintenance fee.
- Complete 100 clock hours of continuing education every five years.
- Continue to comply with the NBCC *Code of Ethics* (www.nbcc.org/ethics).

Applicants and certificants are required to disclose in writing any criminal offense, legal action, complaint, disciplinary review, employment termination, or probation or removal from a graduate program within 60 days of becoming aware of the charge. Note: You do not need to disclose traffic charges unless they involve drugs or alcohol or injury to person or property. For more information, please visit www.nbcc.org/ethics.

Remember, certification and licensure are very different. Please visit www.nbcc.org/Directory for information about your state's specific licensure requirements.

For a list of the benefits of national certification,

please visit www.nbcc.org/benefits.

Benefits include:

- Affordable liability insurance
- Client referrals through [Counselor Find](#)
- Ability to market yourself using your certification

StudentWorks is an online resource for counseling students and recent graduates. Please visit www.nbcc.org/Studentworks to learn about certification and licensure, and find resources to help build your counseling career.
